Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Applicants' proposed request to insert data pertaining to Fig. 7 into the printed patent at col. 8, line 39 is not warranted under United States Code (USC) 254 or 255 and Code of Federal Regulation (CFR) 1.322 or 1.323. Review failed to reveal proper documentation to support applicants request. Accordingly, the printed patent with respect to the above is considered printed in accordance with the records of the Patent and Trademark Office as passed to issue by the examiner.

In view of the forgoing applicants' request in this matter is hereby denied. However, a certificate of correction will issue to correct the remaining errors noted in applicants' request. Any Telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
